Mr. Philippe di Pizzo
Executive Director
Nunavut Water Board
P.O. Box 119
Gjoa Haven, NU X0E-1J0

Dear Mr. di Pizzo:

Enclosed is the **2002 Phase II Environmental Site Assessment, Nanisivik Mine, Nunavut**. This report is submitted on behalf of CanZinco Ltd. in accordance with *Section G, Item 13* of **Water License NWB1NAN0208**.

The report documents the environmental investigation program conducted to characterize background concentrations of elements of concern and identifies the types, concentrations, approximate extent and distribution of contaminants in the environmental media at the Nanisivik site. The assessment was conducted according to protocols established in federal and territorial guidelines and incorporated regulatory and community concerns.

The report has been prepared by:
