

## **APPENDIX 11**

### **RECORD OF PLACEMENT OF METALS / HYDROCARBON CONTAMINATED SOILS UNDERGROUND IN THE MINE**

**POLARIS MINE**

**730 LEVEL**

Contamination Placement  
as of September 24, 2003

| SAMPLE NO. J.A. SCALE 1:500 |                  |
|-----------------------------|------------------|
| GRID NO.                    | GRID COORDINATES |
| 1                           | 1000 1000        |
| 2                           | 1000 1000        |
| 3                           | 1000 1000        |
| 4                           | 1000 1000        |
| 5                           | 1000 1000        |
| 6                           | 1000 1000        |
| 7                           | 1000 1000        |
| 8                           | 1000 1000        |
| 9                           | 1000 1000        |
| 10                          | 1000 1000        |
| 11                          | 1000 1000        |
| 12                          | 1000 1000        |
| 13                          | 1000 1000        |
| 14                          | 1000 1000        |
| 15                          | 1000 1000        |
| 16                          | 1000 1000        |
| 17                          | 1000 1000        |
| 18                          | 1000 1000        |
| 19                          | 1000 1000        |
| 20                          | 1000 1000        |
| 21                          | 1000 1000        |
| 22                          | 1000 1000        |
| 23                          | 1000 1000        |
| 24                          | 1000 1000        |
| 25                          | 1000 1000        |
