Good morning Linda - our records show that the annual water use fee for the Polaris file (1AR-POL0311) is outstanding for the period of March 1, 2006 to March 1, 2007 and March 1, 2007 to March 1, 2008 for a total owing of \$60.00. This can be paid by cheque made payable to "Receiver General for Canada" or by VISA.

Once the fees are received in this office and acknowledged, the information is forwarded to the office of Indian and Northern Affairs in Iqaluit, and they issue the receipts. Hope this answers your query. If you need further information please don't hesitate to call.

Hi Phyllis,

Further to your email correspondence with Chantale van Dieren regarding our Water Licence Fee, could you please advise who the cheque is payable to. In the past, there has been some confusion when I've sent cheques in, and no one knew where the money was actually supposed to go, or for what.

So, could you provide me with your mailing address, and I will forward the cheque directly to you.

Thanks,
 Linda

Hi Linda,

In reply to your e-mail of February 25th, please see Phyllis Beaulieu's e-mail from the Nunavut Water Board. I guess you can go ahead and pay the Licence fees for Polaris and Pine Point ahead of us submitting our reports.

Thanks

Chantale

Good morning - the water use fee is payable on an annual basis due on the anniversary of the current license. If the fee has not been paid for the 2007/08 period then yes, it is due.

Phyllis,

We've been told that a \$30 fee is charged when we submit our annual report. Could you confirm if this is the case, and we will attach a cheque to our report when we submit it from now on?

Many thanks
