RE: **Nanisivik Naval Facility (NNF) Project – Water Use Licence for work on site in 2011**

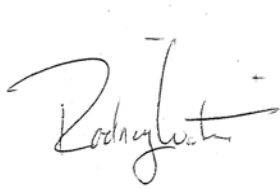

Dear Ms. Beaulieu,

The Department of National Defence has contracted Stantec Ltd. to complete geotechnical investigative work at the Nanisivik port site in 2011. Stantec will require a Water Licence and they will be making this application on our behalf.

Please accept this letter as confirmation of the requirement and that Stantec has our full support for the work. Stantec will provide you with whatever technical information you require. The Water Licence will be required until November 30, 2011.

For any questions or additional information, please do not hesitate to contact me at (613) 943-8277, or by email at Rodney.Watson@forces.gc.ca.

Sincerely,

Rodney Watson, P.Eng (Ont)

Project Manager
Nanisivik Naval Facility
