Dear Mr. Roy:

The Nunavut Water Board acknowledges receipt on October 29, 2002 and November 5, 2002 of your water licence application for the Southampton Caribou Harvest Project. Your application included the following items:

- cover letter dated October 28, 2002
- executive summary in English
- application form
- cover letter dated November 3, 2003
- supplementary questionnaire
- executive summary in Inuktitut
- map (1)

In order to complete your application request, we require an application fee of \$30.00 in the form of a cheque made payable to the Receiver General for Canada.

This project is being reviewed by the Nunavut Planning Commission and will require screening by the Nunavut Impact Review Board for their determination as to whether they require further review, or if it can be processed by the Nunavut Water Board.

I have been asked by the Board to inform you that a notice of your application is required. This notice of requirement is based on Article 13.3.14 of the Nunavut Land Claims Agreement (NLCA), which states that the Board should take "...all steps necessary by way of notice...to provide and promote public awareness [of hearings]."

Accordingly, the enclosed notice in both English and Inuktitut will be posted for a period of 30 days, with the following establishments in Coral Harbour:- Hamlet Office, KIA, HTO, Northern Store, and Co-op Store.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application. Any person who is affected by this application or concerned with it, may submit a letter of concern, which must be submitted to the Board within the period of time shown on the public notice.
