Subject: RE: 1BF-SOU0709 Amendment 1 - Southhampton Island Caribou Harvest Project

Hi Phyllis,

Thank you for sharing this with us.

As some additional relevant information, I believe that Mr. Leonard Netser is no longer associated with this project. As I understand it, he was involved for the 2006/2007 harvest only and has since severed any relationship with the Coral Harbour Hunters and Trappers Organization.

I am not sure who the contact is for the HTO, but the contact information I have on file for them is:

Aiviit Hunters and Trappers Organization P.O. Box 108 Coral Harbour, NU Phone 867-925-8622 Fax 867-975-8300
Email: aiviithto@qiniq.com

You may wish to send your package to the HTO, as I think Mr. Netser was operating on their behalf.

Regards,

Steve
