RE: Licence Renewal NWB4SOU9800

Dear Mr. Netser,

Pursuant to the requirements of Articles 12 and 13 of the Nunavut Land Claims Agreement, your application to for water use and waste disposal activities associated with a commercial caribou harvest was screened by the Nunavut Impact Review Board. In its decision dated February 21, 2000 the NIRB decided that your application could be processed without review under Part 5 or 6 of Article 12 of the Nunavut Land Claims Agreement

Before the NWB can complete its review of this application and decide whether to approve it, we are requesting that you provide additional information regarding the project. I enclose for your consideration a letter from the Nunavut Department of Sustainable Development and ask that you provide a response to the concerns and questions raised in that letter.

If you require clarification in this matter, please do not hesitate to contact me at the above or email at dionne@polarnet.ca.

Sincerely,

Dionne Filiatrault, P.Eng.
Technical Advisor

Enclosure (2) NIRB Screening Decision & DSD Comments
