**RE: NWB FILE # 1BF-SOU – AIVIIT HUNTERS & TRAPPERS
ORGANIZATION – SOUTHAMPTON CARIBOU HARVEST PROJECT**

Dear Mr. Dwyer:

The Government of Nunavut, Department of Environment (DOE) has reviewed the project proposal from Aiviit Hunters & Trappers Organization for conducting commercial caribou harvesting near Coral Harbour, and has the following comment to make based on the DOE's *Guideline for the General Management of Hazardous Waste in Nunavut*:

- The DOE monitors the movement of hazardous wastes including waste fuel, from generators, carriers to receivers, through a tracking document (Waste Manifest). A Waste Manifest must accompany all movements, and all parties must register with the DOE. This registration can be done by contacting Rob Eno at (867) 975-7748 or reno@gov.nu.ca.

The DOE thank NWB for giving us the opportunity to review and provide comments.

Yours sincerely,
