**Baker Lake Summary of Water Licence Amendment or Existing
Licence No. 1BH-BLT1414**

Inukshuk Construction Ltd. is applying to amend the existing water licence. The reason for the amendment is because the hydrostatic testing of the new 3400cum LSDL tank has been delayed until next summer. We are requesting the permit to be extended 1 year.

The tank is now constructed and will remain empty all winter. In late spring we will mobilize to site and proceed with the testing of the tank as per the existing water permit.

Regards,.

Marc Losier, G.S.C.
