Good day Marc,

On June 10, 2014 the attached was sent to Megan Lusty of GN. I am not sure that she responded to the request. We have not to date received any confirmation correspondence from either NPC or NIRB on these files but we've made requests on a couple of occasions.

Hi Magan,

Can you expedite. We will need to start filling the tank in Baker in two weeks and in Coral at the end of August.

Can you check with NPC and NIRB and get back to me with a status?

We cannot delay this operation as we need to be ready for fuel resupply.

Marc Losier, G.S.C.
