Dear Marc Losier:

The Nunavut Impact Review Board (NIRB or Board) received Inukshuk Construction's "Petroleum System Upgrade, Baker Lake" project proposal from Nunavut Water Board on April 3, 2014. The project proposal submission included the following documents:

Your project appears to be located in an area which requires conformity to the Keewatin Regional Land Use Plan, pursuant to Article 11 of the Nunavut Land Claims Agreement (NLCA). Please be advised that Proponents are required to submit their project proposals directly to the Nunavut Planning Commission (NPC) for a conformity determination. For further information, please contact NPC's Director Regional Planning, Brian Aglukark, at (867) 857-2242 or via email at aglukark@nunavut.ca.

The NIRB conducts screening (environmental impact assessment) of project proposals upon referral from Government departments/agencies and Regional Inuit Associations responsible for authorizing the proposed project works or activities. Please be advised that it is the Proponent's responsibility to apply for all authorizations and approvals required to carry out the proposed project works or activities.

Further, upon receipt of the required conformity determination, the NIRB will be undertaking a preliminary completeness check of your application. In order to ensure your application contains

the minimum information required for the NIRB's screening, it is recommended that you submit the following, noting that the NIRB may request additional information at any point during the screening process:
