Dear Marc Loiser:

On April 3, 2014 the Nunavut Impact Review Board (NIRB or Board) received Inukshuk Construction's "Petroleum Systems Upgrade – Baker Lake" project proposal from the Nunavut Water Board (NWB). On July 8, 2014 the NIRB received a positive conformity determination (Keewatin Regional Land Use Plan) from the Nunavut Planning Commission (NPC) for this file. The NIRB has assigned this project proposal file number **14UN030**. All documents received and pertaining to this project proposal include:

- *NWB General Water Licence Application*
- *Figures*
- *Non-technical Project Proposal Summary in English*
- *NPC Conformity Determination and Questionnaire*

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does **not** contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submission of the following information by **July 25, 2014**.

- *NIRB Project 1 Form in English and Inuktitut (blank forms attached)*
- *Non-technical Summary in Inuktitut*
- *Map*

Further, the NIRB requests confirmation/clarification of which government agency is responsible for administering approvals for this project.

Please forward all forthcoming submissions to the NIRB at [info@nirb.ca](mailto:info@nirb.ca) or via fax at (867) 983-2594.

If you have any questions or concerns, feel free to contact me at (867) 983-4606 or [hramussen@nirb.ca](mailto:hramussen@nirb.ca).
