Hi Mo, I've had a brief look through the application, and we've had such changes be managed as a mockup as paperwork is done solely with the NWB as submissions of updated plans or design drawings.

Please let me know if you have further questions, thanks for reaching out!

Tara

Subject: Water license extension and slight change

Hi Kelli,

Please see the attached. This has very little bearing on the change of the project but improves the situa

Can this please be added to this file.

Thanks

Mo
