Thanks for the annual report Marc.

I will be putting this licence on the list for final inspection next field season. I have included licensing to add the 2015 report and include the correspondence on the FTP website.

Regards, Kyle

Good day Marc.

As per our conversation.

Can you please provide me with the following information:

- Can you please provide me with the annual report for the year water was used in associated with this licence **See attached report**
- Is the activity completed or is there any use of the water licence occurring **the activity is completed and we have no more use of the water licence**
- Has the infrastructure associated with water use been removed (eg, pumps, hoses, culverts, etc.) **Yes**

Regards, Kyle
