Re: Application Pending Authorization for Mosher Engineering Limited's Upgrades & Expansion to the existing Fuel Storage Facility in Rankin Inlet Project Proposal

Dear Marc Losier:

The Nunavut Impact Review Board (NIRB or Board) received Mosher Engineering Limited's Upgrades & Expansion to the existing Fuel Storage Facility in Rankin Inlet Project Proposal from Mosher Engineering Limited on May 25, 2009. The Project Proposal submission included the following documents:

Nunavut Water Board License Application

Unless an application for an authorization which is not exempt under Schedule 12-1 is received, the NIRB may not commence screening of this Project Proposal in accordance with Article 12, Part 4 of the Nunavut Land Claims Agreement.

If you have any questions or concerns, feel free to contact me at (867) 983-4605 or lpayette@nirb.ca.

Sincerely,

Leslie Payette

Manager of Environmental Administration

Nunavut Impact Review Board
