Until the project manager has received insurance certificates and contract security satisfactory to the GN, and we have advised you that they are satisfactory, we do not have a contract.

Once the insurance certificates and contract security are received to the satisfaction of the GN, and we have advised you that they are satisfactory, you will be authorized to proceed with the work, and formal contract documents will be assembled and submitted to you in several copies for execution and return. Once we have a signed contract, you can begin the work.

Please contact myself Project Manager, Patricio Fuentes at (867) 899-7303 for any further information.

Sincerely,
