Attention: Phyllis Beaulieu
Manager of Licensing

Dear Ms Beaulieu

I am writing in response to your letter of May 7th, wherein you were questioning the status of our application for a water license we applied for in April 2005.

After we applied for the license and during our efforts to supply you with the necessary information to complete the application our Landlord the City of Iqaluit said they wanted us to vacate the premises.

We have been negotiating with them since to stay and it is a very slow process. We therefore request that you leave our application open until we find out if we can continue to operate there.

Thanking you in advance for your cooperation,

Yours truly,

Colin O'Neil
