**RE: BEAR ISLAND MID-CANADA LINE RADAR STATION REMEDIATION
PROJECT – REQUEST TO RESUME PROCESSING OF WATER
LICENCE APPLICATION (1BR-BEA----)**

Dear Mr. Dwyer:

In response to your letter dated July 29, 2009, you will find attached a copy of the Screening Decision from the Nunavik Marine Region Impact Review Board (NMRIRB). Indian and Northern Affairs Canada (INAC) hereby requests that the Nunavut Water Board (NWB) resume the processing of the Bear Island Mid-Canada Line Radar Station Remediation Project Water Licence Application (1BR-BEA----).

If you have any questions or require additional information please contact the Project Manager, Mark Yetman at (867) 975-4733 or via e-mail at mark.yetman@inac-ainc.gc.ca.

Sincerely,

Natalie Plato
