 Andrew,

As discussed earlier the NWB Application to Cancel a Water Licence asks for the following in the final section:

9. CERTIFICATE OF COMPLETION: Application for Licence Cancellation must be accompanied by either of the following:

- ☐ Application for Certificate of Completion enclosed; or
- ☐ Certificate of Closure enclosed.

The applicant is advised to consult with Aboriginal Affairs and Northern Development Canada regarding provision of the requested certificate.

Could you please confirm that by way of this e-mail I have requested a Certificate of Completion for the Bear Island Water Licence? I will include a copy of your response with the application to the NWB.

Thanks for your time and attention,

Mark Yetman
