7. REASON – Provide written reason for cancellation request:

The remedial activities at Bear Island were completed during the summers of 2010 and 2011 with final demobilization taking place in late July 2011. No structures or waste remains at Bear Island therefore there is no need to continue to hold a Water Licence for the site.

8. ABANDONMENT MEASURES

The following measures have been taken to address the final abandonment conditions required by the licence: (explain, with drawings, how abandonment conditions of the licence have been met; how stream channels have been rehabilitated; how tailings have been recontoured; how instream structures have been removed; and how waste materials have been disposed of. Enclose pictures if available.

Upon completion of the remedial activities at Bear Island all materials and equipment were removed from the site. The remediation of Bear Island involved the removal of all wastes from the site and no structures or facilities were left at the site. Details on the work that took place and the status of the site upon completion are provided in the Remediation Completion Report, Bear Island, Nunavut (See Appendix 1).

9. CERTIFICATE OF COMPLETION: Application for Licence Cancellation must be accompanied by either of the following:

- ☐ Application for Certificate of Completion enclosed; or
- ☐ Certificate of Closure enclosed.

A request for a Certificate of Completion was sent to the AANDC Water Resources Officer. A copy of the confirmation is provided in Appendix 2.

The applicant is advised to consult with Aboriginal Affairs and Northern Development Canada regarding provision of the requested certificate.
