Subject: Indian & Northern Affairs Canada – Bear Island Project – New – Type “B”

Dear Mr. Aatami:

Further to the NWB’s letter dated May 7, 2009, to fulfill the NWB’s obligation pursuant to Section 7.10.1 of the NILCA, the NWB further requests written confirmation that the Nunavut Marine Region Impact Review Board (NMRIRB) screening (and review if required) pursuant to by Article 7 of the NILCA has been completed, or confirmation that the project proposal is exempt from screening.

Please provide comments by e-mail to licensingadmin@nunavutwaterboard.org by May 21, 2009, or advise the undersigned if an extension to this date is required.

Thank you for your assistance in this matter.

Sincerely,

Original Signed by:
