Subject: RE: FW: 1BR-BEA---- Bear Island Project Indian & Northern Affairs Canada New Water Licence Application

Good morning Adam;

Dionne had left a telephone message that there was time and we would be awaiting your submission however none has been received to date; the Nunavut Water Board is ready to move forward with this file and would like to request if any submissions will be provided by the end of the week for this file.

Regards,

Richard Dwyer
Licensing Administrator
Nunavut Water Board

Importance: High

Richard / Dionne:

Does the Makivik Corporation still have time to review this? what is the time period for us to possible review this and get some information back to you?
