Hi Richard.

It has been determined that Bear Island, being outside the Nunavut Settlement Areas, is outside of the NIRB's jurisdiction – unless there was an appropriate request through NLCA 12.11.1 otherwise triggering the NIRB.

If our understanding of the location of this file is incorrect, or if there are other authorizations which would somehow trigger our Board's process, please let us know.

I hope this helps.

Regards,

Jeff Rusk
