Subject: Re: 1BR-BEA---- Nunavik Marine Region Impact Review Board

Hi Richard,

I met with the NMRIRB in December and they are currently exploring their options with respect to screening Bear Island.

I'll let you know when I have a better idea as to when they may finish the screening.

Mark

Good morning Mark;

I'd like to request an update on the submission of the screening from the Nunavik Marine Region Impact Review Board.

Thanks
