Hi Richard,

The NMRIRB has all its members appointed and is meeting for the first time on December 16th. We will be attending this meeting and requesting that the NMRIRB expedite the screening of the Bear Island Project.

Thanks,
Mark

Good afternoon Mark;

I'm curious has the Nunavik Marine Region Impact Review Board (NMRIRB) been formed? I'd like to know when we may get the NMRIRB Screening for the Bear Island project.

Regards,
