**RE: Nunavut Water Licence Application Withdrawal - 1BR-BIH
Bathurst Island High Arctic Remediation and Risk Management Project**

Crown - Indigenous Relations and Northern Affairs Canada (CIRNAC) is writing to inform you that that due to a change in operational plans we are formally withdrawing our water licence application for the above project. The planned activities for the Bathurst Island High Arctic Remediation and Risk Management Project will not involve any water usage or the deposition of waste.

We would like to thank-you for considering our original submission. We trust that this information is satisfactory for your requirements. Should you have any questions or require further information please contact the undersigned.

Sincerely,

Peter Martin
Project Manager, Contaminated Sites
