RE: STANTEC THE BATHURST ISLAND REMEDIATION – PHASE III ENVIRONMENTAL SITE ASSESSMENT PROJECT NUNAVUT WATER BOARD APPLICATION

Dear Mr. Kabloona,

Stantec is pleased to submit this Water Licence application for the Bathurst Island Remediation – Phase III Environmental Site Assessment Project (Project).

The Project is located on Bathurst and Cameron Islands as well as Ile Vanier located about 310 kilometres northwest of Resolute. Stantec is also applying for an Aboriginal Affairs and Northern Development Canada (AANDC) land use Permit, a Nunavut Research Institute (NRI) license and a Canadian Wildlife Services (CWS) permit. Julie Ross with Golder Associates Ltd. has applied for a Nunavut Archaeologist permit. The Project is located within the North Baffin Land Use Plan, and all applications excluding the archaeology permit application have been submitted to the Nunavut Planning Commission (NPC). It is our understanding that AANDC, the NRI and CWS will forward their agency specific applications to the Nunavut Impact Review Board (NIRB) for screening..

Please find enclosed the following:

- a completed application form and questionnaire;
- Appendix A – Non-technical Project Summaries;
- Appendix B – Site Maps;
- Appendix C – Additional Information;
- Appendix D – Plans Associated with the Application;
- Appendix E – Remote Camp Information;
- Appendix F – Golder Authorization Letter;
- Appendix G – Evidence of Registration of the Company Name; and
- application fees.

The application fees were calculated as follows:

- Type B Water Licence application = \$30
- Water use fees = \$30
- **Total application fee = \$30 + \$30 = \$60**

Please provide Stantec with a receipt for application and water use fees.

If you have any questions regarding the enclosed application, please contact me at (613) 738-6090, or by email at David.Wilson@stantec.com. Also, Stantec has authorized Golder Associates Ltd. to communicate on our behalf with the Nunavut Water Board regarding the water licence application. Please contact Julie Ross with Golder Associates Ltd. in Edmonton at (780) 930-8630 or by email at Julie_Ross@golder.com.

Regards,

David Wilson, CD, M.A.Sc., P.Eng.
