Subject: 1BR-BYR0305 2004 Annual Report

Hello Richard,

There is a greenfile for licence 1BR-BYR0305 that needs to be closed. This greenfile contains the 2004 Annual Report (Under the title of Final Report). The reason this file is to be closed is because the Licence was renewed in 2007 and at that time this annual report would have been reviewed.

Thanks, Deon.
