Re: PIN-2 Cape Young Project

The Nunavut Water Board received an application for a new water license from UMA Engineering Ltd., on behalf of Defence Construction Canada, for the Department of National Defence, for the site investigation at PIN-2 Cape Young.

Notice of this application will be posted at local organizations in Kugluktuk, Cambridge Bay, Bathurst Inlet and Umingmaktok.

All documents, pertaining to the application, are available through the internet on our ftp site at <http://ftp.nunavut.ca> in the folder "nwb" and sub-folders "NWB5 DEWLINES / NWB5CAP."

Take note that the NWB has also received technical submissions along with this application. Please review these documents as necessary and forward any comments to this office before the deadline indicated.

NWB5CAP is being screened by NIRB, and will be processed by the Nunavut Water Board. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **December 19, 2003**.

Sincerely,

Original signed by:

Phyllis Beaulieu
Licensing Administrator
