Re: Application Acknowledgement and Requirement for Notice of the Application for the PIN-2 Cape Young Project

Dear Ms. Schulz:

The Nunavut Water Board acknowledges receipt on October 16, 2003 of your water licence application, filed on behalf of Defence Construction Canada and the Department of National Defence, for the PIN-2 Cape Young Project. Your application included the following items:

- cover letter dated October 1, 2003
- executive summary in English AND Inuktitut
- water license application form
- supplementary questionnaire
- Annex A Maps and figures
- Annex B Site Investigation Summary
- Annex C Environmental Impact Summary Table
- Annex D Contingency Plans
- Annex E Project Description for the NIRB
- Annex F Env. Clean-up Study of 21 DEW Line Sites in Canada Vol. 9 PIN-2

Since Defence Construction Canada is a Government Agency, it has been determined that the application fee can be waived.

This project is exempt from review by the Nunavut Planning Commission and will be screened by the Nunavut Impact Review Board for their determination as to whether they require further review, or if it can be processed by the Nunavut Water Board.

I have been asked by the Board to inform you that a notice of your application is required. This notice of requirement is based on Article 13.3.14 of the Nunavut Land Claims Agreement (NLCA), which states that the Board should take "...all steps necessary by way of notice...to provide and promote public awareness [of hearings]."

Accordingly, a notice in both English and Inuinaqtun will be posted for a period of 30 days, with local establishments in Kugluktuk. Copy of the notice will be available to you during the distribution process.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application. Any person who is affected by this application or concerned with it, may submit a letter of concern, which must be submitted to the Board within the period of time shown on the public notice.

Please call the undersigned at (867) 360-6338 or email at licensing@nwb.nunavut.ca if you have any questions.

Sincerely,
