Hi,

The Board Staff reviewed your submitted application for Amendment and noted that the following information wasn't submitted to the board as it was required by the original Licence 1BR-CIL1217

- Part E, Item 2: *The Licensee shall, within 6 Months of the issuance of the licence, Submit to the board for review an addendum to the O and M Plan;*
- Part E, Item 3: *The Licensee shall provide to the board, within ninety(90) days of completion of the construction of all respective design drawings and construction reports, including all as-built drawings, documentation of field decisions that deviate from original plans and any data used to support these decisions. These plans and drawings shall be stamped by and engineer.*
- The status of the Landfarm that the construction/operation was approved under the licence is unknown as no 2012 Annual Report was submitted
- Part H, Item 2: *The Licensee shall, within six (6) months of the issuance of the licence, submit to the Board for review, an addendum to the Spill Contingency Plan;*
- Part J, Item 11: *The Licensee shall, within six(6) months following issuance of the licence, submit to the Board a Quality assurance/quality Control (QA/QC) Plan for inclusion with the O&M plan required under Part E, Item 2*

The Board advises you that the Application for amendment is incomplete. In order for further processing we need the following items;

- Executive Summaries. English, Inuktitut
- Compliance Assessment/Status Report
- Engineered Drawings (stamped)

Please Submit the required Additional Information in a timely matter so that we can administer and prepare the file for 30 day review.

Thanks,
