Dear Phyllis:

Apologies for late response.

Our record indicates that NWB advised AADNC to submit a project proposal to us on October 20, 2015. We have not received a proposal from AANDC.

On October 23 we issued the attached letter to regulatory authorities advising that we no longer review applications and that all proposals should be submitted through LUPIT, unless they are renewals that have not been significantly modified.

Thank you,

Peter Scholz, MA MCIP PMP
