Hi Andrew,

The Compliance Assessment/Status Report is a status report indicating the compliance or no compliance with licence terms and conditions and with AANDC Inspection findings or requirements (if any). Just like a self-assessment of the license's compliance status.

I hope it helps,

Thanks for your comments Megan. I am working to provide a response to you.
Can you provide some additional info on what you are expecting with the "Compliance Assessment/Status Report" that you noted below? I'm not sure what you are looking for.
Thanks,
