Dear Licencing Office/ Mr Richard,

E-mail 5 – The other two documents mentioned and are not yet sent are ESA and HHERA due to their large sizes. The results of these 2 reports have been summarized and used in the RAP and PPR already submitted. So these 2 reports that have not sent may not be necessary. However, should you want me to send these other 2 documents, kindly advice of an FTP site by which I can send them to you.

Thanks

Dele Morakinyo
