Hi Richard,

I am now back in the office. However, I am yet to receive all the information I need to respond to this request from our contractor. He is asking for an extra week to provide these details.

Please, I would crave the indulgence of the Board to give us up to December 20, 2024 to submit our responses to the comments on the Abandonment and Reclamation Plan on Coral Harbour Project.

Thanks for your usual cooperation

Best regards.
