Re: Cullaton Lake Project

The Nunavut Water Board received an application from Homestake Canada Inc. for an amendment to their approved abandonment and restoration plan to encapsulate waste rock at the Shear Lake Portal.

Notice of this application will be posted at local organizations in Arviat.

The following documents are available through the internet on our ftp site at <ftp://ftp.nunavut.ca> in the "nwb" folder "NWB1CUL":

- notice (in English and Inuktitut)
- cover letter dated March 28, 2003
- application to amend A&R plan
- report entitled Assessment of Closure Options and Impacts, Shear Lake Zone Waste Rock Dump

NWB1CUL is not required by NPC to be reviewed for conformity with the appropriate land use plan; however, it is being screened by NIRB, and will then be processed by NWB. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **July 21, 2003**.

Sincerely,
