Subject: Homestake Canada Inc.-Cullation-Request for Sreening-Renewal

The Nunavut Impact Review Board received a renewal application on April 12, 2002 from Nunavut Water Board.

This project was last screened under NIRB file No: 01WA027with regards to Homestake's amendment application (which was later withdrawn) as indicated in the screening decision dated September 5, 2001

Nunavut Impact Review Board will not be re-screening since there are no changes within the project. If you have any questions please don't hesitate to contact our office.

Sincerely,

David Sateana
Environmental Assessment Officer II Trainee
