Phyllis,

It would appear to be exempt as per Schedule 12-1.

Good afternoon Leslie and Brian. On September 10, 2008 a request went to NPC and NIRB for the above noted file. This is a straight renewal. The last NPC information received was on October 4, 2007 (an email from Brian indicating that a conformity was not required). The last NIRB correspondence is from November of 2003 under file number 03WA067.

Please review and advise if anything further is required from both NPC and NIRB. Appreciate your early response.
