Hi Paul,

From our phone call I understand your request and agree to the extension of June 30st, 2017. I remind you that your water licence expires on the Jan 31st, 2018 application for renewal should be made to the board at a minimum of three months prior to the expiry though I recommend six a minimum.

Regards,

Christine

Hi Christine,

Further to our call, this email is to request an extension for addressing the items listed in Section 3 of your Cullaton Lake report 2016-KIV03-CW to June 30<sup>th</sup> 2017. The extension is requested so that we time to receive and incorporate the findings of our 2016 environmental studies into our future monitoring program and activities.

Thanks for considering this request.

Rgds,

Paul
