Dear Ms. Wilson:

**Re: Cullaton Lake License Inspection Report 2016-KIV03-CW**

Pursuant to Section 3 of your license inspection report file no. 2016-KIV03-CW and subsequent extension for addressing these items to June 30<sup>th</sup> 2017 as per your email dated November 8, 2016, please be advised that an updated Closure and Reclamation Plan has been sent to you via ftp site. The hard copy is attached to this letter.

The Closure and Reclamation plan also includes a review of the monitoring program and proposed new program effective 2018, to coincide with the next license renewal year. A license renewal application, including this document will be submitted to the NWB within the coming months.

Should you have any additional questions in this or any other Cullaton Lake matter, please do not hesitate to contact me at (705) 632-1871.

Sincerely,

A handwritten signature in black ink that reads "Paul Brugger".

Paul Brugger, P.Eng.  
Site Manager
