Greetings Ms. Beaulieu,

Further to the letter from Mr. Ian Parsons to Barrick Gold dated April 4, 2014 (see attached), Barrick Gold is interested in meeting with Aboriginal Affairs and Northern Development Canada (AANDC) and the Nunavut Water Board (NWB) to discuss, in detail, the recommendations of AANDC in the April 4 letter. I understand that members of the NWB often attend the Nunavut Mining Symposium in Iqaluit, NU. Barrick would like to schedule a meeting with AANDC and NWB in Iqaluit during the week of the symposium. I have already spoken with Ian Parsons who has confirmed that he and his team would be available during that week to meet with us and our technical advisors. I will give you a call later this week to discuss further.

Thanks and kind regards,

Dan
