Good morning,

Please find attached for NWB Technical Review of the 2021, 2022 and 2023 Annual Reports for the Cullaton Lake Project; Water Licence No: 1BR-CUL1828.

This is distributed for information.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/1%20INDUSTRIAL/1B/1BR%20-%20Remediation/1BR-CUL1828%20Barrick%20Gold%20Inc/3%20TECH/B%20GENERAL/2%20ANNUAL%20RPT>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

<https://filezilla-project.org/>

Regards,

Robert Hunter
Licensing Administrator
