Subject: Final Reclamation Procedures-Cullaton Lake

The Nunavut Water Board received a letter dated March 15, 2000 from Homestake Canada Inc. requesting what final procedures would be required to have the final reclamation of the site approved and monitoring requirements cancelled.

By copy of this letter, we are requesting the parties on the distribution list to provide their input for the aforementioned request before **May 31, 2000**.

For additional clarification please do not hesitate to contact the undersigned or Dionne Filiatrault, Technical Advisor.

Sincerely,

Rita Becker
Licensing Administrator
