Subject: Re: NWB1CUL0207 - extension

Hi Phyllis,

Thank you for forwarding the request from Homestake Canada Inc. for an extension to the deadline for their A&R Plan Amendment. Indian and Northern Affairs Canada, Water Resources Division, does not have a problem with this request. However, I suggest that the Plan and the Annual Report be submitted on or before March 31, 2003 with no further extensions granted.

Sincerely,

Michelle McChristie, M.Sc.
