Hi Phyllis,

Defence Construction Canada (DCC) on behalf of the Department of National Defence (DND) would like to rescind the previous application for Renewal (dated February 21, 2014) as it pertains to licence 1BR-DYE0914. DCC will be revising the application to include an Amendment and Renewal Application reflecting the Longterm Monitoring Program for Cape Dyer. This application can be expected within the next 2 weeks. Sorry for any inconvenience.

Regards,

Tamara
