Hi Tamara:

Could you please provide confirmation on the following items at your earliest convenience:

1. Whether or not the two new landfills, mentioned in Box 9 of the water licence renewal application and proposed for construction in 2014, are additional to the ones that were included in the 2003 water licence application.
2. Whether or not an addendum to the Spill Contingency Plan has been submitted as required under Part I, Item 2 in the licence.

Regards,  
Sean
