RE: Request for a delay in the issuance of the new FOX-C licence (File NWB5EKL)

Dear Ms. Bealieu,

Further to discussions with Joe Murdoch of the Nunavut Water Board, please delay progressing the application submitted March 22, 2005 for the intermediate DEW line site at FOX-C (Ekalugad Fiord) until November 30, 2005.

The currently approved Licence NWB5EKA0406 Type B will suffice for the 2005 field season.

If you have any questions or comments regarding this project, please do not hesitate to contact the Project Manager, Bob Martin at martinro@inac.gc.ca, or by telephone at (867) 979-7931.

Sincerely,

Natalie Plato
