Good Morning Charlotte

--

Your application submission for renewal of the Water Licence 1BR-EKA was sent out for parties comments. Comments were provided by DFO, ECCC and INAC. INAC's comment on your application submission is attached.

The NWB would like to ask you to address INAC reviewer's comment on your application submission; particularly, the Board would like to know your response to point 1) of INAC's submission: 1)Long Term monitoring plan addendum: thermal monitoring.

Regards
Sonia Aredes
