Re: Renewal Application Acknowledgement for the FOX-C Ekalugad Fjord Project

Dear Mr. Plato:

The Nunavut Water Board ("NWB") acknowledges receipt on April 21, 2009 of your renewal water license application for the FOX-C Ekalugad Fjord Project, file number 1BR-EKA0809.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- NIRB Screening Decision (or confirmation in writing that a NIRB screening is not required)
- NPC Conformity (or confirmation in writing that an NPC Conformity is not required)

We will resume the processing of the renewal application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,

Original signed by:

Richard Dwyer
Licensing Administrator
