Hi Robin,

DFO has reviewed the works for the Ennadai Lake Remediation project. As there are no in-water works, DFO has no concerns.

Cheers,
Tracy

Fisheries and Oceans Canada has changed the way new project proposals (referrals), reports of potential *Fisheries Act* violations (occurrences) and information requests are managed in Central and Arctic Region (Alberta, Saskatchewan, Manitoba, Ontario, Nunavut and the Northwest Territories). Please be advised that general information regarding the management of impacts to fish and fish habitat and self-assessment tools (e.g. Operational Statements) that enable you to determine *Fisheries Act* requirements are available at DFO's "Working Near Water" website at www.dfo-mpo.gc.ca/habitat. For all occurrence reports, or project proposals where you have determined, following self-assessment, that you cannot avoid impacts to fish and fish habitat, please submit to fisheriesprotection@dfo-mpo.gc.ca. For general inquiries you can also call 1 855 852-8320.

Subject: FW: 131011 1BR-ELR---- Distribution Review - New Application
Importance: High

Hello,

Could you please confirm if you received any notices distributed on October 11, 2013 for the Ennadai Lake Remediation Project. The deadline for comments was on November 11, 2013. Unfortunately we did not receive any comments regarding the new application for Ennadai Lake.

Regards,

Robin Ikkutisluk
Licence Administrator Assistant
Nunavut Water Board
